

The Dance Department is excited to announce their Summer Dance Sessions for children ages 3-4 and 5-7 with Jen Manino. The sessions will provide a fun and imaginative way for children to expressive their creativity as they learn about dance. We will explore a different ballet/theme each week through story, dance, music, and crafts. The sessions will run from 9 -11:30 am at a cost of \$200 per week, with a \$50 deposit to hold your child's spot. Each week-long session will finish with a special in studio performance to show family and friends what the children learned and created!

Encanto Themed July 18th-22th **Ages 3-4**

Come find your hidden dance talent. Everyone has a special gift: leaping, pirouetting, or even being able to touch your toes. We don't have to talk about Bruno but we do have to dance and make lots of fun crafts like our very own special door to open and discover the magic!

Cinderella July 25th -29th **Ages 5-7**

The classical fairy tale, Cinderella, will magically come alive through creative dance which is inspired by Prokofiev's jubilant score. Cinderella will twinkle from head to toe with the help from her fairy Godmother, who makes all her dreams come true. We will design our own castle and glass slippers and waltz with grace in our beautiful ball gowns!
