

## **Hair**

1. Part hair about 1/3 of left hand side of head.
2. French braid all the way to the end of hair, angled towards the center back.
3. With remaining hair, part hair towards front.
4. From the hair parted towards the back, brush back into ponytail, include the braid in the ponytail.
5. With remaining hair, brush it down and back with a small twist, use another rubber band to include this in the ponytail.
6. Put bun maker around the ponytail
7. Make bun
8. Use lots of gel, bobby pins and hair spray!

## Make-up

1. Use concealer\powder for your foundation.
2. Cheeks
  - a. Bronzer for below cheek bone
  - b. Blush for cheek bone
  - c. Highlighter for above blush
3. Eyes
  - a. Tan #1

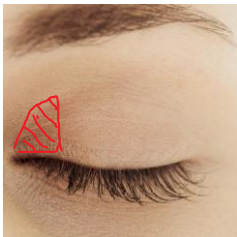

- b. Dark Purple #2

- c. Deep Purple #3

- d. Light Purple #4

- e. Under liner - Dark Purple #2 ( a little more the  $\frac{1}{2}$  way across eye)
- f. Highlighter – outside of eye (temple) plus one or 2 swipes across eye
- g. Black Liner – Medium thick line top of eyelid
- h. Silver Liner – Line directly above black liner
