

We are excited to kick off the 2017-18 competition season at The Dance Department! This year we are going electronic to help make everyone's lives easier! We have created a document showing all costumes with all accessories needed, it even shows the dance name so no guessing! This document also shows the costume prices and competition fees associated with each dance. This document is included in the February monthly newsletter.

The Dance Department website:

This document is available on our exciting all new competition team web page, which can be found at this link: <http://thedancedepartment.com/comp-team-info.html>. This link also provides easy access for viewing our upcoming competitions, ordering the sneakers and make-up needed for competition. Please bookmark this page and print this packet.

Costume Payment Form:

Below you will see a comprehensive list of dancers and what classes they are in for the upcoming competitions. Following the list, you will have a costume payment form. You must submit the costume payment form with your payment before your dancer will be given their costumes. As always, there could be additional fees for head pieces or accessories.

Competition Payment Form:

The last page of this packet is the payment stubs for paying competition fees for 2017-18. Be sure to submit the stubs with your payments for easy tracking. Please note the payment due dates for these expenses.
